## Letter of Commitment and Authority to Operate Marine Rescue Brisbane Vessels

Name of Master: \_\_\_\_\_

On direction from an authorised Marine Rescue Brisbane Management or Duty Master operate the vessel in a safe and efficient manner, in accordance with declared personal restrictions and the Unit's established Standard Operating Procedures, and at such times accept full responsibility for your action and the safety of the vessel and those on-board in line with the following endorsements:

Primary Vessel	<input type="checkbox"/>	Secondary Vessel	<input type="checkbox"/>
Partially Smooth Waters	<input type="checkbox"/>	Open Waters	<input type="checkbox"/>
Daylight	<input type="checkbox"/>	Night	<input type="checkbox"/>
Master	<input type="checkbox"/>	Duty Master	<input type="checkbox"/>

Delegation of this authority resides with the Management of Marine Rescue Brisbane and its continued validity comes with the expectation that ongoing support will be given to assist in the maintaining of an efficient, harmonious and orderly operational Unit:

- Attend meetings specially convened to discuss training and operational matters.
- Support the Duty Master and assist with training on duty day.
- Provide support, according to your comfort zone, during group training sessions.
- Be prepared to perform out-of-hours call-out duties.
- Assist with the maintenance of a sound financial position – fund raising.
- Be aware of the need for maintenance and give assistance when and where necessary.
- Assist in fostering a spirit of harmony and co-operation within the Crew and within the Unit.
- Within yourself and others, foster an assertive, but not aggressive attitude in your endeavours.

This list is by no means exhaustive but is representative of where assistance is needed and expected. Participation is not expected in all areas and on all occasions; but in as many areas as possible and often enough to be recognised by Management as a Supporter and Role Model for Members.

I intend to uphold responsibilities and expectations as described.
